

A 3D architectural cutaway rendering of a modern office building. The building features a prominent glass facade on the left side, revealing an interior lounge area with a large grey sectional sofa, a coffee table, and a small dining table. A kitchen area with a white countertop and a sink is also visible. A staircase with wooden steps and railings leads to an upper level. The building is situated on a dark, sloping terrain. The rendering is presented in a perspective view, showing the building's structure and interior layout.

A 3D cutaway rendering of a mobile office unit. The unit is a long, rectangular structure with a grey corrugated metal roof and tan-colored exterior walls. The interior is divided into several sections. On the left, there is a large open area with a grey floor, where a red pickup truck is parked. To the right of the truck is a small office area with a desk and a chair. Further right is a kitchen area with a sink and a stove. At the far right end, there is a sleeping quarters area with a bed. The unit is shown from an elevated perspective, revealing its internal layout and the surrounding environment, which appears to be a construction site or a parking lot.
